Special Requirements

For connections other than those listed, prior arrangements must be made with the electrical supervisor.

If special electrical plugs are required, exhibitor is responsible for furnishing the associated wiring schematics and required connectors. Exhibitor is responsible for labor and materials associated with connecting and disconnecting.

Please provide specific requirements in the space below. List device, amperage, volts, and phase.

Service will be brought to the rear of the booth in the most convenient manner, unless otherwise indicated on the grid below.

Please indicate the following:

Location of the main power drop: Power needs to be distributed from one location at which a panel or other piece of electrical equipment will be installed. It is recommended that this equipment be placed in a closet, under a table/desk, or in another location that keeps it out of sight. Please provide specific dimensions.

Location and load of all outlets: Please provide specific dimensions and wattages/amperages.

Booth Orientation: Please provide surrounding aisle and/or booth numbers, particularly for island booths. Also, please try to orient your booth to the overall floor plan so that the diagram does not have to be rotated.

Electrical Service Terms & Conditions

- ◊ All exhibitors are required to check in at the service desk at the time of move in before service can be turned on.
- ◊ A standard electrical outlet consists of one single female plug. Service does not include adapters or special wiring. Labor is required for any and all electrical work over and above the installation of the main power drop.
- ◊ Labor charges will include the time for electricians to gather the necessary tools and material for the job, have their work checked by the client, and return the tools and material to the supply area.
- ◊ Exhibitors' cords must be a minimum of 14 gauge 3 wire with ground and must be flat when used for floor work. All multi-outlet devices (e.g. - power strips) must have circuit protection. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
- ◊ Wall, column, and permanent building outlets are not part of the booth space and are not to be used by exhibitors. Unauthorized use of electrical services will be terminated or exhibitor must pay electrical service charges.
- ◊ The Oklahoma City Convention Center is not responsible for voltage fluctuations or power failures. If your equipment has strict tolerances for voltage, then you must bring your own regulating device.
- ◊ Under no circumstances shall anyone other than an Oklahoma City Convention Center employee make connections or disconnections.
- ◊ Electrical service will be provided to the booth in a location and manner that is safest and most convenient.
- ◊ Exhibitors are not permitted to share electrical service. All orders must be placed individually.
- ◊ All floor orders or changes must be made at the service desk.
- ◊ The electrical supervisor is obligated to refuse connection when wiring is not in compliance with federal, state, and local safety codes. Oklahoma City Convention Center reserves the right to inspect all electrical devices and connections to ensure compliance with all codes.
- ◊ All furnished materials and equipment remains the property of the Oklahoma City Convention Center or its assigned agent. All materials that are removed from the premises or damaged will be billed accordingly.
- ◊ Equipment problems must be reported immediately to the service desk.
- ◊ Claims will not be considered unless filed by the exhibitor prior to the close of the show.
- ◊ No credit will be issued for outlets installed but not used. If cancellation occurs before services are installed and written notice of cancellation is received by Exhibitor Services 72 hours before the first scheduled move-in date, a full refund will be issued.
ALL COMPLETED WORK IS SUBJECT TO FULL PAYMENT.

Internet Service Terms & Conditions

- ◊ All exhibitors are required to check in at the service desk at the time of move in before service can be turned on.
- ◊ Under no circumstances shall anyone other than an Oklahoma City Convention Center employee make connections or disconnections.
- ◊ Service will be provided to the booth in a location and manner that is safest and most convenient.
- ◊ All floor orders or changes must be made at the service desk.
- ◊ Ethernet Service: Includes the installation of a 10BaseT network cable to the booth/meeting room (single RJ-45 category 5e cable), access to the Internet via our segmented LAN, one TCP/IP address, and use of our DNS server. Exhibitor/client must provide the compatible hardware, software, and Ethernet adapter.
- ◊ Additional TCP/IP Addresses: If requesting Ethernet Service and you require more TCP/IP addresses than the initial Ethernet Service provides, you may order additional addresses to suit your needs.
- ◊ Customer provided equipment such as switches, routers, access points, and other network devices may not be connected to the OKCCC network without prior discussion and approval of the OKCCC. Connecting customer provided equipment without prior arrangements will result in your network drop being disabled and will require an OKCCC representative to reset your port. The OKCCC will not be responsible for downtime during your event as a result of connecting unauthorized equipment.
- ◊ If you have requirements for your event that are not listed, or have questions regarding the information in this section, please call (405) 724-9826 or e-mail our Information Technology Department.
- ◊ Due to the extensive coverage the OKCCC provides, NO customer provided access points are authorized for use within the Facility without the OKCCC's prior approval (wireless access point without adjustable power outputs cannot be authorized under any circumstances). Customer(s) who attempt to set up their own wireless can interfere with the OKCCC's wireless network.
- ◊ The OKCCC requires all customers showcasing their wireless products to contact the OKCCC 21 days prior to the show move-in so that we may engineer a cohesive network that operates without interference (all approvals will incur a site survey fee).
- ◊ Per our Terms and Conditions listed on the OKCCC Customer Contract, misuse of any wireless service may result in service interruption to yourself and other Customers and can lead to disconnection of the Customer's equipment. No service refunds will be given.
- ◊ ALL WIRELESS ACCESS POINTS NOT AUTHORIZED BY THE OKCCC ARE PROHIBITED.
- ◊ All equipment must comply with federal, state, and local safety codes.
- ◊ All furnished materials and equipment remains the property of the Oklahoma City Convention Center or its assigned agent. All materials that are removed from the premises or damaged will be billed accordingly.
- ◊ Equipment problems must be reported immediately to the service desk.
- ◊ Claims will not be considered unless filed by the exhibitor prior to the close of the show.
- ◊ No credit will be issued for connections installed but not used. If cancellation occurs before services are installed and written notice of cancellation is received by Exhibitor Services 72 hours before the first scheduled move-in date, a full refund will be issued. ALL COMPLETED WORK IS SUBJECT TO FULL PAYMENT.
